

Scientific Poster Abstract Application

Ohio State Neurosurgical Society 2022 Annual Meeting
Nationwide Hotel and Conference Center, Columbus, OH
Saturday, September 10, 2022

Submission deadline: **EXTENDED THROUGH August 12, 2022, 11:59**
Notification of acceptance: **pm August 21, 2022**

The Ohio State Neurosurgical Society (OHSNS) is pleased to offer Medical Students*, Residents and Fellows the opportunity to exchange the latest information in neurosurgery in two formats: 1) scientific education presentations (top two abstracts) and 2) scientific posters. This is an excellent opportunity to become involved in the OHSNS annual meeting and enhance your reputation both within and outside your institution.

**Medical Students may submit a poster abstract if co-authored by an attending neurosurgeon*

About 60 neurosurgeons are expected to attend this meeting. This event is designed to meet the educational needs of OHSNS members and to provide them with the opportunity discuss new treatment options, research and collaborate with their colleagues to advance towards excellence in clinical practice. Physician assistants and clinical nurse specialists are also invited.

Location:

[Nationwide Hotel and Conference](#)
[100 Green Meadows Drive South](#)

Awards

- **Up to 12 abstracts will be selected for poster presentation.** If your abstract is selected for a poster presentation, you will receive an award of \$100. If you cannot attend, you can send your poster with a colleague but only those who attend the meeting and are present to discuss/defend their poster are eligible to receive payment. Set-up instructions will be confirmed later.
- **The 3 highest ranked abstracts will be selected for oral presentation.** If your abstract is selected for an oral/podium presentation, you will receive an award of \$250 plus overnight accommodations if needed. See the agenda for presentation times.

Submission and Review Process

The OHSNS invites you to participate in the annual education meeting by submitting abstracts of cutting-edge research and clinical advances in the field of neurosurgery. The abstracts will be blinded and reviewed for quality and content. You may submit abstracts/posters of completed work, work in progress or work presented at a local or regional level. The primary author is responsible for obtaining written consent from all authors and appropriate institutions prior to submitting an abstract/poster.
